tibits

WE ARE TIBITS

SINCE 2000

The Frei brothers planted tibits in Switzerland in 2000, with a little help from their friends at Hiltl, the world's first vegetarian restaurant.

CREATE YOUR PLATE

At tibits you create your own plate from the food boat's tempting selection of global flavours, so you can take a little of what you fancy, or a lot of what you want.

PLANT BASED POWER

Delicious dishes, packed with plants – this is vegetarian and vegan food for everyone.

LED BY NATURE

Taking our lead from nature, we celebrate the seasons best fruits, leaves and roots.

MADE FRESH, EVERY DAY

Cooking is our passion. That's why our food is made fresh, every day, in our kitchen downstairs.
